HOW DO I BOOK YOU FOR MY WEDDING?

1. Contact Amy by phone, email, or text, whichever is your contact method of choice. Inquire early about your wedding date (especially during the peak wedding season months June - September).
2. Bookings are NOT reserved until the security deposit is received and the contract is signed by the client. The date will be considered "open" to other inquiries until these two items are completed. The security deposit is non-refundable.
3. You always have the option to wait until after the trial run to put your security deposit down, but keep in mind that scheduling a trial run date does not guarantee a hold on your date.
4. Once the security deposit is received, you will be sent out a contract to sign to fully reserve your wedding date.
